Marshalltown Sales Barn

Marshalltown, Iowa

Announcement . . .

My wife and I started in the purebred Shorthorn business with one recorded cow. Later we added some of the best females obtainable, including some imported cows that cost us over \$1,000 each. Our first herd bull was Lord Gainford, by the then nationally famous Gainford Champion. C. L. McClellan of Lowden, Iowa, was his breeder, and he sold in Mr. McClellan's sale for \$1,725.00. Lord Gainford was a most excellent breeder and his calves won numerous honors locally. County Agent Buchanan thought so much of him that he took him to the State Fair at Des Moines where his calves won four of the first five places in the Shorthorn 4-H club show.

In the operation of our purebred herd, we have never been speculators, but strictly breeders and producers. During the years from 1915 up until now, we have produced and sold 682 head of Shorthorns by actual count. No outside females have been added to the herd since 1931. Taking as our model the great Sittyton herd of Amos Cruickshank in Scotland, we have attempted to make the best better by blending famous bloodlines.

Then came Village Master, another roan, the top-selling son of Brown-dale Goldspur at \$2,400.00, and an exceptionally good sire of females.

Collynie Gold Mint, from the nationally famous California herd of Easton & Ward next took up the burden. He was a prolific sire from a famous line of cattle. Helfred Farm showed a half-brother to an International Stock Show grand championship. Another roan.

Imp. Propaganda Bearer, bred in the George A. Bruce herd in Scotland, sired many splendid cattle, his bulls selling freely up to \$600.00 per head. This imported dark red bull made an indelible mark on the herd.

Next Helfred Emperor 49th, bred by Helfred Farm, sired by Imp. Corrimony Emperor and sire of many of the calves sold at foot in this sale. This is a beautiful roan in color, and his dam carried a lot of much sought after breeding.

Now Royal Keystone Guard, a grandson of the great Imp. Royal Rothes, being sired by Conner's Keystone Guard that made a wonderful record in the Long herd at Grundy Center where he sired numerous \$1,000 bulls. His dam carries a strong infusion of Jim Russell's Klaymor Barrage blood. Many of the cows with calves are re-bred to him.

We mention these items to let you know that we have tried to use only the best bloodlines in our herd. However, the years have piled up and strength is failing, so we are taking some of the old unsalable cows and the herd bulls with us, as we move into semi-retirement on a 40-acre farm.

Unfortunately for us, most of these sale cattle are not in proper condition to sell to the best advantage, but are all healthy, reliable breeding cattle and are so guaranteed. Many buyers have found our cattle extremely profitable, and you should have the same experience.

This sale will be a near-dispersion, and we most cordially invite all interested in well-bred Shorthorns to be with us on sale day whether you wish to purchase or not. Hoping to see you Feb. 5th, we are,

Most cordially yours,
MR. AND MRS. E. L. WILLIAMS,
Marshalltown, Iowa.
